

4th Annual

Canadian Health and Well-Being In Developmental Disabilities

February 5 & 6, 2025 | Digital Conference

Improving health and wellbeing across the lifespan for persons with a developmental disability

Connect with health professionals, community partners, and families who will share practices that contribute to positive physical and mental health outcomes for people with developmental disabilities across the lifespan.

Conference Learning Outcomes:

- Explore evidence-based clinical best practices relating to physical and mental health
- Discuss the role of community healthcare in maintaining and improving quality of life
- Identify possible solutions for core issues and challenges faced by the people being supported, their families, and community partners
- Develop, maintain, and expand interprofessional partnerships in order to provide more effective supports
